

medicines

Medicines can sometimes make a child sick if they take too much or if they take the wrong one

medicines

What am I to do with medicines?

When I buy medicines it must have a child safe cap or be in child safe packaging

medicines

What am I to do with medicines?

I am to store medicine up high and locked away

medicines

What am I to do with medicines?

I am to put the cap on as soon as I have finished

medicines

Sometimes there are
medicines in our handbags

medicines

What am I to do with handbags?

I am to place handbags up high
