

# Acute Health

## Victorian Ambulatory Classification System

111 S9

### Non-Admitted Patients

### Funding and Activity Return

This form should be used for reporting data as part of the Victorian Ambulatory Classification System for non-admitted patients purchased by Acute Health Services. The return should be completed at the end of each month submitted within *7 working days* to the Department of Human Services. Submission of this form by the due date is a condition of funding.
