

**DHS Response to
Report on the evaluation of the Care in Your Community (CiYC) planning
trials September 2007**

Background

DHS commissioned DLA Phillips Fox, in collaboration with Cordyline Consulting and Capital Foresight to:

- Provide expert knowledge and skill to facilitate agreement on common features of the methodology at each trial site.
- Facilitate the development of methodologies to be used to progress the implementation of CiYC.

Below is a response matrix outlining the DHS position in answer to the consultant's recommendations.
