Dear Dr Hall

PROPOSED SAFE DRINKING WATER REGULATIONS

On behalf of Anne Barker, City West Water's Managing Director, I thank you for your letter of 24 September 2004 with enclosed copies of the Regulatory Impact Statement and draft Safe Drinking Water Regulations.

We have examined the two documents and believe that they contribute significantly to the understanding and management of Victoria's drinking water quality. In response to your invitation to take part in the consultation process, we will be submitting written comments on some technical points, as well as attending your workshop on 8 October 2004.

We look forward to working closely with your Department under the new regulatory framework.

Yours Sincerely

Matthew Giesemann
