Introduction

The lists in this section are provided for the following purposes:

- To indicate whether certain PRS/2 values can be reported by specific hospitals.
- To provide lengthy code lists (including those in different formats, and lists which are relevant to more than one PRS/2 data item), in a central place for ease of reference.

At the end of each list, the DHS Section/Unit which maintains it is named.

The specifications for reporting each data item mentioned, are provided in Section 3.
