

***Section 9:
Supplementary Code Lists***

Contents

SECTION 9: SUPPLEMENTARY CODE LISTS	1
INTRODUCTION	2
CODE LISTS	3

Introduction

The lists in this section are provided for the following purposes:

- To indicate whether certain PRS/2 values can be reported by specific hospitals.
- To provide lengthy code lists (including those in different formats, and lists which are relevant to more than one PRS/2 data item) in a central place for ease of reference.

The DHS Section/Unit responsible for maintaining each reference file is noted after each list.

The specifications for reporting each data item mentioned are provided in Section 3.

Code Lists
