Mothers Living Well

The project takes a whole of community approach using partnerships at all levels to improve the health of mothers and their families in Bayswater

Achieved via two central aims:

- ▲ To increase active transport (walking and cycling) by mothers and their children in Bayswater.
- ▲ To enhance the mental wellbeing and social connectedness of mothers parenting in difficult circumstances living in Bayswater

Partnership development

Partnerships with Local Mothers

Mothers connecting: Diana Hicks, right, interviews Ana Novaceanu with her son Luca, 16 months.
