Dear Dr Hall,

Re: Review of the Health Act

I write to advise that Council recently considered a report on the review of the Health Act and has made a submission to Dr Jacqueline Goodall.

Whilst Council recognises the need to modernise the legislation to provide a framework for the future it is concerned about the anticipated additional costs of managing the changes at the local level.

Council has directed that I write to the Department requesting that a study be undertaken on the costs and impacts on the implementation of the new Act at the local level.

Should you wish to discuss this matter further please contact me on ☎ 5422 0388.

Yours sincerely,
