

# HEY, LETS RECYCLE

**DID YOU KNOW?**  
These containers are recyclable

**APPLY TO HANDS  
3-4 TIMES A DAY**

**BEFORE & AFTER  
PATIENT CONTACT**

**USE ON SHARED  
EQUIPMENT / HARD  
SURFACES**

## JUST REMEMBER TO:

- Remove the “pump” action top from the bottle
- Rinse the bottle out if necessary
- Place used containers in the recycling receptacle with PET Plastic Bottles.

Our Environment will thank you  
Hand Hygiene Project  
Infection Prevention & Control
