Pandemic (Additional Industry Obligations) Order 2022 (No. 8)

I, Martin Foley, Minister for Health, make the following Order under the **Public Health and Wellbeing Act 2008** in the belief that this Order is reasonably necessary to protect public health throughout Victoria from the serious risk arising from the coronavirus (COVID-19) pandemic disease.

Part 1 – Preliminary

1. Objective

- (1) The purpose of this Order is to establish additional specific obligations on employers and workers in specific industries in relation to managing the risk associated with COVID-19 transmission in the work premises.
- (2) This Order must be read together with the pandemic orders in force.
- (3) This Order is intended to supplement any obligations an employer may have under the **Occupational Health and Safety Act 2004** and the **Workplace Orders** and are not intended to derogate from any such obligations.

2. Citation

This Order may be referred to as the **Pandemic (Additional Industry Obligations) Order 2022 (No. 8)**.

3. Authorising provision

This Order is made under section 165AI of the **Public Health and Wellbeing Act 2008**.

4. Commencement and revocation

- (1) This Order commences at 11:59:00pm on 27 February 2022 and ends at 11:59:00pm on 12 April 2022.
- (2) The **Pandemic (Additional Industry Obligations) Order 2022 (No. 7)** is revoked at 11:59:00pm on 27 February 2022.

5. Definitions

Terms used in the Order have meanings set out in Schedule 2.

6. Application of this Order

This Order applies to the whole State of Victoria.

Part 2 – Additional Industry Obligations

7. Application of this Order to certain employers and roles

(1) This Order applies to Additional Obligation Industries, namely:

- (a) poultry processing facilities;
- (b) abattoirs and meat processing facilities;
- (c) seafood processing facilities;
- (d) supermarket work premises and perishable food work premises;
- (e) warehousing and distribution centres;
- (f) commercial cleaning services;
- (g) care facilities;
- (h) ports of entry servicing international arrivals;
- (i) hotel quarantine;
- (j) hospitals;
- (k) schools;
- (l) childcare or early childhood services;
- (m) construction sites.

(2) This Order applies to Additional Obligation Industries work premises that are located:

- (a) in relation to supermarket work premises and perishable food work premises, and warehousing and distribution centres, in Metropolitan Melbourne; and
- (b) in relation to all other Additional Obligation Industries not referred to in paragraph (a), anywhere in Victoria, unless this Order indicates otherwise.

8. General obligations

Clauses 9 and 10 apply to high-risk hospital work premises.

Note: the exception of care facilities and hospitals (except for high-risk hospital work premises) as being exempt from the requirements in clause 8 does not exempt care facilities from satisfying equivalent requirements imposed under other regulatory arrangements.

9. Compliance

To assess an employer's compliance with this Order, an authorised officer or inspector (or their nominated representative) may conduct:

- (1) an inspection of a work premises; or
- (2) an inspection or audit of the records of an employer.

10. Consultation

An employer in relation to a high-risk hospital work premises must, to the extent reasonably practicable, consult with health and safety representatives, together with workers who are, or are likely to be, directly affected:

- (1) to identify or assess risks to health or safety at a work premises; and
- (2) to make decisions about the measures to be taken to control risks to health and safety; and
- (3) to determine if any risk identified under subclause (1) is either under the employer's management and control or arises from the employer's conduct; and
- (4) to make decisions about the adequacy of facilities for the welfare of workers; and
- (5) in making decisions about procedures to resolve health and safety issues, including (but not limited to):
 - (a) procedures around health and safety consultation itself;
 - (b) procedures to monitor the health of workers and the conditions of the work premises;
 - (c) procedures to provide information and training to workers; and
- (6) by a change to:
 - (a) a work premises; or
 - (b) the plant, substances, or other things used at a work premises; or
 - (c) the conduct of work performed at a work premises.

- (1) An employer in relation to an Additional Obligation Industry work premises must:
 - (a) where the employer's work premises is an industry that is listed in the Surveillance Testing Industry List and Requirements (as amended from time to time on the advice of the Chief Health Officer):
 - (i) carry out surveillance testing for COVID-19 on its workers in relation to the work premises in accordance with the requirements of the Surveillance Testing Industry List and Requirements (as amended from time to time on the advice of the Chief Health Officer), including:
 - (A) those sections of its workforce required to be tested under the Surveillance Testing Industry List and Requirements;
 - (B) a weekly surveillance testing target of the percentage of workers that are to be tested; and
 - (ii) for industries that require workers to undergo a COVID-19 rapid antigen test, if a worker receives an invalid test result from the COVID-19 rapid antigen test, the employer must direct the worker to undertake a second COVID-19 rapid antigen test as soon as possible; and
 - (iii) for industries that require workers to undergo a COVID-19 rapid antigen test, 'if a worker receives:
 - (A) a positive test result from the COVID-19 rapid antigen test, the employer must direct the worker to immediately self-isolate in accordance with the **Quarantine, Isolation and Testing Order**; or
 - (B) two successive invalid COVID-19 rapid antigen test results, the employer must direct the worker to:
 - (1) undertake a COVID-19 PCR test as soon as possible; and
 - (2) immediately self-isolate until a negative COVID-19 PCR test result is received; and
 - (iv) keep records of surveillance testing of workers for COVID-19, which demonstrate that the employer has complied with its obligations under subparagraph (i) in relation to the work premises; and

- (v) provide the records required to be kept by the employer under subparagraph (iv) to the Department upon request by the Department for those records.

Note: the industries and requirements included in the Surveillance Testing Industry List and Requirements may be amended on the advice of the Chief Health Officer.

- (2) An employer is not required to carry out surveillance testing for COVID-19 pursuant to subparagraph (1)(a)(i) in relation to a worker who is a confirmed case for a period of 30 days commencing from the date the diagnosis of COVID-19 is confirmed through a COVID-19 PCR test.

12. Care facilities

- (1) An employer in relation to a work premises that is a care facility in Victoria must require care facility workers in relation to a care facility to wear a face covering while working in any indoor space at the care facility if the worker is performing a resident-facing role at the care facility, unless an exception under the **Movement and Gathering Order** applies to that worker.

Example: where a care facility worker is communicating with a resident who is hard of hearing or deaf and visibility of the mouth is essential for communication, that care facility worker may remove their face covering whilst communicating with the resident.

Note: a care facility worker working in a resident-facing role at a care facility must wear a mask at all times while working in an indoor space including when they are not interacting with residents.

- (2) If a care facility worker is working at more than one work premises for two or more different employers:
 - (a) the care facility worker must provide a written declaration to each employer to advise them that the worker is working at more than one work premises and must provide details of the other work premises to each employer; and
