

There are millions of people around the world embracing this new responsibility. They are turning from 'what's in it for me?' as their unconscious world view to consciously embracing 'what's best for the common good?'

-Richard Barrett-

This notebook is for you to use or not
– there are no rules or procedures assigned to it. It may help to jot notes, thoughts, feelings, intents & ideas on which to reflect in the coming weeks

Four Room Apartment

This cycle is as relevant for whole organisations as it is for individual people

Stay as long as you can in the **CONFUSION** space...this is where you will come up with good ideas for moving forward

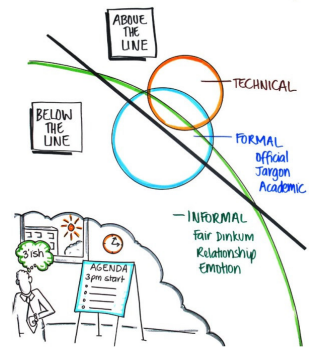

Hang in there...remain strong and focused on your purpose and vision for the future

“The human race is in the midst of making an evolutionary leap. Whether or not we succeed in that leap is your personal responsibility”

-Scott Peck-

an important LENS (tension)

**“Never doubt that a small group of thoughtful, committed people can change the world.
Indeed it is the only thing that ever has”**
